Report of NMC Workshop

6th NMC Revised 3 days Basic Course Workshop

The Medical Education Technology Unit organized the 6th Revised Basic Course Workshop in Medical Education Technology on 22nd, 23rd & 24th June 2021 for the faculty of NKP Salve Institute of Medical Science and Research Centre and Lata Mangeshkar Hospital. 29 faculties participated in the interactive workshop which took place in the beautiful premises of the new library complex.

The MET Unit Faculty conducted all the sessions which were highly appreciated by the participants. Dr. Adarshlata Singh, Professor Dermatology, DMIMS Sawangi, was the NMC observer for the workshop.

The program was organized under the leadership of Dr. Kajal Mitra Dean NKP SIMS & RC and LMH, & Dr. Suresh Chari Director MET Unit NKP SIMS & RC and LMH, along with secretaries of MET Dr. Madhur Gupta and Dr. Anne Wilkinson.

PROGRAMME SCHEDULE

22nd, 23rd & 24th June 2021

Program Schedule

Day 1 (22nd June 2021)

8.30 to 9.00 Registration

Day Time	Session	Objectives	Duration	Faculty
9:00	Introduction: Pre test ice breaking and Group Dynamics	Understand and apply concepts of group dynamics and team based functioning in teaching and learning	60 minutes	Dr. Suresh Chari
10:00	System's Approach, Principles of adult learning, Learning process	a. Use principles of adult learning in the teaching learning process b. Use the system's approach for instructional design	75 minutes	Dr. Suresh Chari , Dr. Neena Nagdeo , Dr. Sushil Gawande

11 – 11.15 Inauguration – Dr. Kajal Mitra Dean NKP SIMS & RC and LMH & Observer NMC

11:15	Tea break		15 minutes	
11:30	The IMG – Goals, roles and Competencies	a. be sensitised to the goals, roles and global competencies as developed by the Medical Council of India	15 minutes	Dr. Sushrut Fulare
11:45	Goals, roles and Competencies: CBME *	a. define goals, roles and competencies and explain the relationship between each other b. elaborate the principles of competency based learning	45 minutes	Dr. Sushrut Fulare
12:30	Learning domains and progression of learning	a. classify and define learning domains b. demonstrate a basic understanding of hierarchy of knowledge progression	30 minutes	Dr. Madhur Gupta
1:00	Lunch		45 minutes	

1:45	Objectives - Writing objectives - Developing objectives from competencies, linking learning and assessment with competencies*	a. differentiate competencies from objectives b. develop objectives from different competencies c. explain the relationship between objectives, learning and assessment	60 minutes	Dr. Madhur Gupta / Dr. Anne Wilkinson
2:45	Workshop on writing objectives*	a. develop objectives from competencies and specify the domain and the skill level	60 minutes	Dr. Anne Wilkinson
3:45	Tea Break			
4:00	Introduction to assessment	a. elaborate the principles and types of assessment b. explain the utility of assessment	45 minutes	Dr. Rekha Khandelwal
4:45	Close			

*- use AETCOM Module and Revised UG Curriculum for this session

Day 2 (23rd June 2021)

8.30 to 9.00 Registration				
9.00 to 9.15 Recap Dr. Suresh Chari				
9.15 to 10.45	Interactive and Innovative teaching methods including Large Group (Demo), Small Group (with demo) and appropriate use of media	a. use the principles of interactive learning in a large group b. use the principles of interactive learning in a small group c. choose appropriate media for a given learning session	90minutes	Dr. Vivek Harkare Dr. Shubhada Deshmukh, Dr. Anne Wilkinson
10.45 to 11.00	Tea Break		15 minutes	
11.00 to 12.30	Choosing a teaching method for objectives and competencies – Workshop	choose the appropriate teaching method for various objectives and competencies	90 minutes	Dr. Charuta Gadkari
12.30 to 1:15	Writing a lesson plan	develop a lesson plan appropriate to the objectives and teaching learning method	45 minutes	Dr. Madhur Gupta
1:15	Lunch		45 minutes	
2:00	Assessment planning* and quality assurance, Writing the correct essay question, short answer question and MCQ	a. write an appropriate essay question b. write an appropriate short answer question c. write an appropriate MCQ	120 minutes	Dr Suresh Chari / Dr Neena Nagdeo
4:00	Tea break		15 Minutes	
4:15	Internal assessment and Formative assessment	develop a plan for internal assessment and formative assessment	40 minutes	Dr. Devashis Barick , Dr. Smita Pakhmode

* use AETCOM module and Revised UG Curriculum for this session

8.30 to 9.00 Registration				
9.00 to 9.15 Recap Dr. Suresh Chari				
9:15	Discussion on AETCOM Module: Reflection and Narrative	a. demonstrate the ability to use the AETCOM module for Basic Course in MET to be held b. demonstrate the ability to write reflection & narrative on AETCOM Module c. demonstrate readiness to launch AETCOM module in own college	45 minutes	Dr. Suresh Chari / Dr. Smita Pakhmode
10:00	Matching assessment to competency, objectives and learning Workshop - Choosing the right assessment	choose the right assessment method for a given objective/ competency and learning method	60 minutes	Dr. Madhur Gupta / Dr. Anne Wilkinson
11:00	Tea Break		15 minutes	
11:15	Effective clinical and practical skill teaching	a. teach skills effectively b. teaching skills at the workplace c. use a skills lab effectively	60 minutes	Dr. Tanuja Manohar/ Dr Prachi Dixit
12:15	Assessment of clinical and practical skills	a. assess skills effectively b. assess skills at the workplace c. use a skills lab to assess competency in skills d. design a skills assessment station	60 minutes	Dr. Shubhada Deshmukh / Dr. Neena Nagdeo
1:15	Lunch		30 minutes	
1:45	Assessment of clinical skills (cont.)		60 minutes	
2:45	Improving SDL through technology	a. promote self directed learning (SDL) in students b. use technology to improve self directed learning	30 minutes	Dr. Kalpana Date
3:15	Tea Break		15 minutes	
3:30	Feedback	provide effective feedback to students	30 minutes	Dr. Suresh Chari
4:00	Educational networking for growth	a. understand avenues for growth in education b. create networks in education	45 minutes	Dr. Sushrut Fulare
4:45	Closing

Report of Guest Lecture

Topic: "Strategies to monitor and enhance student learning"

Medical Education Technology Unit of N. K. P. Salve Institute of Medical Sciences & RC and Lata Mangeshkar Hospital Nagpur organized an online guest lecture on "Strategies to monitor and enhance students learning" by Dr Latha Ravichandran, Associate Dean Education and Professor of Pediatrics, Sri Ramachandra Medical College and Research Centre Porur, Chennai 24th March 2021. 33 teaching staff members participated in this interactive session. Dr Latha briefed about various tools like logbooks and involving mentors of mentorship program to improve formative assessment, which can enhance student learning. Dr Suresh Chari, Director of MET discussed various ethical issues related to categorisation of the slow and advanced learners. Dr Sushil Gawande, coordinator of the program explained the need of psychological assessment of slow learners. He expressed gratitude towards Dr Latha Ravichandran and all the participants for actively participating in the session.

**“DIMENSIONS AND SCOPE OF MENTORING AT NKP”
Faculty**

Dr. Chetna K. Desai

Prof. and Head, Pharmacology
Coordinator- M.E.U., RTC, IEC, PhD.
B. J. Medical College, Ahmedabad. □

Learning Objectives:

1. Mentoring: principles, qualities, approach and myths.
2. Mentoring at NKP: possibilities and challenges.

**Google meet on: Wednesday 31st March 2021
Time: 2.30 pm to 3.30 pm**

History of Mentorship

The story of Mentor comes from ancient Greek poem
'*Odyssey*' by Homer.

Odysseus, king of Ithaca, fights in the Trojan War and entrusts the care of his son Telemachus to **Mentor**, who becomes his teacher and advisor.

Date: 5th April 2021

Medical Education Technology

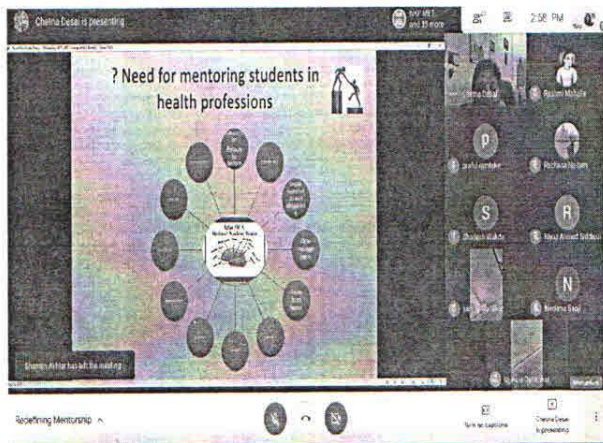

Report: Guest Lecture:

Dimensions and scope of mentoring at NKP SIMS & RC and LMH

NKP Salve institute of Medical Sciences is celebrating a decade of the Mentorship program ANUBANDH in the year 2021 under the able leadership of Dean Dr. Kajal Mitra. Medical education technology unit of NKP Salve Institute of Medical Sciences organized a guest lecture on "Dimensions and scope of mentoring at NKP" on google meet platform. Dr. Chetna K. Desai, FAIMER fellow, Prof and HOD Dept of pharmacology, BJ Medical College, Ahmedabad, was the faculty for the guest lecture. This was organized to motivate UG mentors of NKP SIMS to implement mentorship program in a more robust way. Dr. Chetna K Desai beautifully navigated the participants from history of mentorship to the present status and need of mentoring in medical colleges. She involved all participants and took their reflections by giving interactive exercises. She demonstrated how an effective mentorship program can run through different stages and how it can be implemented effectively in different formats. She successfully convinced all mentors that though mentorship is meant to help the mentee to give their best, it helps mentors to grow in their personality.

Total 48 medical faculties* from NKP SIMS & other Medical Institutes joined the session. We got good feedback from all participants. The event was coordinated and conducted by Dr. Smita Pakhmode, UG Anubandh coordinator, under the guidance of Dr. Suresh Chari. Director of MET & Research and Dr. Madhur Gupta and Dr. Anne Wilkinson, Secretaries MEU.

Report of Guest Lecture

Topic: "Importance and Need for Intellectual Property Rights (Patenting)"

The Research Cell of N. K. P. Salve Institute of Medical Sciences & Lata Mangeshkar Hospital Nagpur organized an online guest lecture on "Importance and need for Intellectual Property Rights (Patenting)" by Dr Kumarsh Krishnamoorthy, Senior Consultant, Kumaresh ENT Hospital, Partner, AUM Medtech, Chennai and Mentor for Health Technology at the Atal Innovation center of IISER (Indian Institute of Science, Education and Research), Pune on 6th April 2021. Overall 42 teaching staff members participated in this interactive session. Dr Kumaresh, who is an innovator and Patent holder briefed about various methods of safeguarding Intellectual property like trademarks, copyrights, branding and patenting. He also described the process of patenting, legal issues related to patents and the journey from development to commercialization of the medical devices. Dr Yamini Pusdekar, Asst. Professor, Department of Community Medicine, coordinated the program and explained the need for IPR and patenting in Medicine in view of the fast paced developments in the Medical and Surgical fields. She also expressed gratitude towards Dr Kumaresh and all the participants for actively participating in the session.

Subject: Use of Microsoft team and zoom for teaching purpose.

NKP SIMS & RC and LMH has purchased Microsoft team and Zoom which should be used by your teaching staff members for online teaching. We strongly recommended use of online teaching rather than uploading audio PPT which is as per feedback from parents during the parents teacher meeting held by dean NKP SIMS & RC and LMH.

The details for the two platforms is as follows.

1. Microsoft team: unlimited number of participants and unlimited time.
2. Zoom: limited to 100 participants but unlimited time.

To install these two platforms in your departmental laptop and for use please contact IT department Mr. Deepankar & Mr. Mayur Pande who will do the needful.

Thanking You
Yours Sincerely

Demonstration of MICROSOFT TEAMS app

A demonstration session for the use of the MICROSOFT TEAMS app was organized for the teaching staff members on 23rd Feb 2021.

28 teaching staff members attended the session.

Dr. Suresh Chari welcomed the members.

The demonstration was given by Mr. Kiran Satpute and Mr. Mayur Pandita of IT section of our Institute. The session was interactive and the teachers cleared some of their doubts about the software.

A practical session on the care of the app followed.

Report of MOODLE WORKSHOP

Moodle is a learning resource platform for students. A two day workshop was organised in the e-library for teaching staff for training to use this software on 8th and 9th June 2021. Two representative staff from each department were trained for the same.

17 teachers from pre and para-clinical departments and 24 from clinical departments were trained on the implementation of the software. The training was given by the IT executive, Mr Sumeet Pandita. He briefed about the MOODIE software which was followed by hands on workshop for implementation of the same.

Dr Rakhee Tirpude, Associate Professor, Physiology and Dr Trupti Dongre, Asst. Professor, Pathology were the co-ordinator for the session.

Report of Online Interdepartmental Fun Quiz

Stress buster Club of Medical Education Technology Unit of NKP Salve Institute of Medical Sciences and Research Centre and Lata Mangeshkar Hospital Nagpur had organized an online Inter department Fun Quiz on 1st June 2021, with the aim of relieving the stress of medical teachers working during the stressful period of Covid-19 pandemic. 82 teachers from various departments participated in the quiz.

Dr Sushil Gawande was the quiz master while Dr Anne Wilkinson and Dr Madhur Gupta were the scorers for the quiz. Dr Suresh Chari, Director of Medical Education Technology and Research was the judge. All the participants appreciated the concept of fun quiz. Department of Pathology was the winner of the quiz. Department of Medicine and Department of Anaesthesia stood second and third respectively. Department of Ophthalmology bagged the consolation prize.

"Meeting with ASHA workers" at RHTC, Katol

Meeting of ASHA workers was organised at RHTC, Katol by Dept of Community Medicine on 05/01/2021. 190 ASHA workers attended the meeting. Dr. Deoke, Professor introduced and explained the agenda of programme. Dr. Ajeet Saoji, Prof and Head, informed about facilities and services available at Lata Mangeshkar Hospital for patients. Dr. Kajal Mitra, Dean appreciated the hardwork of Dept of Community medicine for organising such big gathering of ASHA workers following norms of COVID-19. Mr. Jawahar Charde also appreciated the ASHA workers work and suggested that there should be frequency in conversation suggestion between ASHA workers and hospital management staff. Mrs. Jaya Awale, MSW given information about various schemes and facilities available at hospital. ASHA workers shared there views and experiences. Programme was concluded with vote of thanks by Dr. Kishore Dhoble, MO, RHTC, Katol.

VRDL in Dept. Of Microbiology gets NABL accreditation

Viral Research & Diagnostic Laboratory was set up in the Department of Microbiology in view of pandemic situation in India. It is a BSL II laboratory with restricted entry. Molecular diagnosis of Infectious diseases is done by RTPCR testing in Himedia InstaQ Machine which is an open system.

This laboratory is accredited by NABL on 18th January 2021 for RNA PCR tests. Presently COVID 19, HCV and Influenza RTPCR tests are being carried out in this laboratory. The laboratory is well equipped to cope up with future challenges in Molecular Diagnostics

Radiology dept. conducted a series of academic programs

Workshops with hands on training organized by dept of Radiology were very much appreciated. USG FETAL ECHOCARDIOGRAPHY WORKSHOP was conducted for all the residents of radio-diagnosis with hands on training at AI created model. Interventional radiology with excellent demonstration of interventional procedures on AI created model was conducted by Dr. Kajal Mitra and Dr. Prashant Onkar. USG of neck online demonstration was well received with more than 700 online you-tube views.
