To,

The Dean
NKPSIMS & RC and LMH
Digdoh, Nagpur

Subject: Employers' Feedback Report

Respected Sir,

Internal Quality Assurance Cell has conducted a survey to obtain the Employers' Feedback.

The responses on all the points ranged from fair to good. Few of the responses were as follows:

1. The curriculum used to train the individual is good to impart required knowledge about the subject to the health professional (58.6%)
2. The curriculum used to train the individual is good to impart required clinical skills about the subject to the health professional (65.5%)
3. Good communication skill is taught to employee (65.5%)
4. Attitude and ethical practice used by the health practitioner reflects good AETCOM (attitude-ethics-communication) training (65.5%)

Suggestions:

1. Short talk topics should be discussed so that students can get the confidence
2. some of the practical hospital management skills, marketing skills and human relationship skills can be included in at the medical school itself

Yours sincerely,

Dr. Mohana Majumdar

Sky is limit when it comes to improvement

An asset to the department

short talk topics should be discussed so that students can get the confidence

Sincere, obedient and good managing skills.

It's been 12 years I passed from nkp. I feel some of the practical hospital management skills, marketing skills and human relationship skills can be included in at the medical school itself.

Date: 28/06/2023

Action Taken Report (ATR) based on Stakeholders' Feedback

Sr. No.	Agenda / Discussion in the meeting	Action taken
1	Feedback of students: In students' feedback, few students emphasized for practical based teaching and also to conduct workshops for exposure to recent advances	All HODs were directed to conduct workshops for students for better exposure to recent advances. Also to post them at Skill Lab for better exposure.
2	Feedback of External Examiners: 73.6% External examiners found the curriculum content and pattern of practical examination to be very good. They also mentioned certain good practices during the examination like time management, transparency, clinical knowledge of students etc.	Dean directed to maintain the same quality in future.
3	Feedback of Alumni: Internship can be made mere clinical. Need to work on students' skill development Free health check-up for the students.	Value added & Add-on courses have been increased. Since last 2 academic years. Maximum participation of students to be encouraged. Presently 50% charges are being taken from the students. Dean said that this will be discussed in details.
4	Teaching staff satisfied with design of curriculum and its delivery to students.	Dean directed to follow proper guidelines of CBME so that curriculum is covered by all batches in time.
