Date: 09/06/2023

Medical Education Technology Unit

Report for External Examiner Feedback – July 2022 to June 2023

An external examiner feedback was taken in view of the MUHS Practical exams conducted in various years of MBBS as well as Postgraduate level, from July 2022 to June 2023. A Google form was created for the same and sent to all the external examiners. A total of 53 examiners responded out of the total of 76 examiners. As per the feedback received in the form, following information was generated:

The curriculum content and the pattern of practical examination were reported to be very good by 73.6 % and good by 24.5% of examiners. The way in which the examination was conducted was found to be very good by 81.1 % and good by 18.9 % of examiners. The facilities and infrastructure at NKPSIMS & RC and LMH like food, accommodation, conveyance arrangement were found to be very good

The external examiners also mentioned certain good practices notice by them during the examination like –Time management, transparency, Interactive and conceptual Teaching Learning Activities, Clinical knowledge of students being good , Detailed Evaluation, etc.

Certain suggestions were also obtained regarding academic areas of improvement like more emphasis on practical exposure, Small group teaching to be implemented effectively etc.

Good

Excellent

Overall good academic practices

As per cbme norms.

Very well managed conduct of examination

Students performance was very good, the educational materials were very good and presented appropriately during the students assessment, the exam schedule was well followed and daily exam preparation was well done.

Very good

Every student were well instructed

Critical enquiry & evaluation

Proper coordination

Properly planned and all topics covered

Very good arrangements

transparency in exam,on time start of exam.

Disciplined students

It was appropriate

CBME guidelines were followed.

Exam was conducted strictly as per guidelines of MUHS

Clinical orientation & discipline

Involvement in academic

Personal attention to students during their tenure.

Homely environment

Insistence on immediate feedback

Transparency

Systematic and smooth conduction of exam

Punctuality, no hassles

All students are dress code

Good discipline

Exam was conducted smoothly with discipline

Nicely conducted exam.

Examination conducted facing students to all examiners inappropriate time

Well organized and as per scheme of examination

Fair theoretical knowledge

Examiner feedback

Good academic discussion

Exam was taken according to university norms

dranandsaoji@gmail.com

Very good level ok knowledge of pgs

Inculcation of good academic practices in students by the teachers was observed during practical examination

Excellent facility

Examination was as per Schedule with an appropriate manner. Students we're confident, updated with academics and did various projects in their residency period .I wish all the best to all. Thanks for the opportunity.

Well conducted exam

Nicely managed cases

Over all everything was very good

Very nice conduct ed exam

Good clinical knowledge and practice

Good coordination amongst surgical faculty

Excellent academic activities going on for PGs

Students are well oriented with subject, they are rotated in different sections with good exposure to different kind of tests and clinical scenarios. P.G academic activities are held regularly

Good variety of patients and infrastructure

Very good experience in conducting examination, good team work

Well organised, varieties of cases, cooperative internals and staff

Research driven activities

Systematic training for PG for exams

Suggest academic areas of improvement in the present exam (if any)

55 responses

Nil

No

None

Nothing

Clinical teaching

Overall it was a good students assessment program. I think it was up to the mark.

No Suggestion

Do not allow to read practical journal during exam hours

Everything is good

More exam material can be made available

Academic activities are satisfactory

Skin & psychiatric portion can be added in practical exams.

Concept wise improvement in practical questions

None presently

No more suggestion

Everything was perfect

At present it's okay

Should be two external for exam

It is good

Well conducting the exams

Next exam should be on CBM E new curriculum

More emphasis can be given on practical aspects.

Clinical knowledge of students need improvement

Clinical cases needs to increase Renumaration is very less for 5 days

More attention on practical things

dranandsaoji@gmail.com

All is perfect

More exposure of students to table viva on equipments would help students to perform still better.

Great teaching material available with the dept

Very nice ly conduct ed exam

Overall it satisfactory conducted exam

Continue the same

Head and neck malignancy

More practical and patient oriented approach

PGs need to have more surgical exposure but theoretical knowledge is good.

There should be atleast 1 - 2 Air Conditioner Rooms available for smooth conducting PG exams during these too much hot days.....

Dermatosurgery & Recent advances can be incorporated more

Nil

Spot part of the exam is not helpful in evaluation

Spotter for 60 marks is totally unwarranted and students undeserving otherwise tend to be successful

Action Taken Report (ATR) based on Stakeholders' Feedback

Sr. No.	Agenda / Discussion in the meeting	Action taken
1	Feedback of students: In students' feedback, few students emphasized for practical based teaching and also to conduct workshops for exposure to recent advances	All HODs were directed to conduct workshops for students for better exposure to recent advances. Also to post them at Skill Lab for better exposure.
2	Feedback of External Examiners: 73.6% External examiners found the curriculum content and pattern of practical examination to be very good. They also mentioned certain good practices during the examination like time management, transparency, clinical knowledge of students etc.	Dean directed to maintain the same quality in future.
3	Feedback of Alumni: Internship can be made mere clinical. Need to work on students' skill development Free health check-up for the students.	Value added & Add-on courses have been increased. Since last 2 academic years. Maximum participation of students to be encouraged. Presently 50% charges are being taken from the students. Dean said that this will be discussed in details.
4	Teaching staff satisfied with design of curriculum and its delivery to students.	Dean directed to follow proper guidelines of CBME so that curriculum is covered by all batches in time.
