DEPARTMENT OF ANATOMY

Report of Gratitude Program

The Department of Anatomy, NKP SIMS & RC and LMH, Nagpur organized “Gratitude Program” on 23rd January 2023. The program was organized to pay gratitude to body donors who donated their whole body to the institute in the year 2022 for the purpose of medical education and research. Relatives of the donors who made the donors last wish fulfilled were felicitated with a certificate.

Dr. Nitin Deosthale , Vice Dean Clinical, was the Chief Guest for the function. Mr. Ramesh Satpute, founder of Dehrashtrarpan Sanstha & Dr. Sushil Meshram founder of Body & Organ donation awareness federation were the Guests of honor.

Mr. Ramesh Satpute told that he is rendering the services since last forty years. He has helped the people not only in Nagpur & Maharashtra, but also in USA.

Dr. Sushil Meshram informed the problems faced by him for promoting body donation. Though he is a professor of Marathi Language, he is doing social service for this noble cause. He further expressed that people from elite class & doctors should come forward for body donation & students should spread the message in the society.

Some body donors also donated eyes to the eye department of the institute. Dr. Deepa Ajit Kumar Associate Professor Ophthalmology department thanked the relatives and enlightened relatives & students about eye donation.

Dr. Deepali Onkar, HOD Anatomy informed that for the first time in Vidarbha Region such type of program is being conducted and expressed that the students who are studying on donated bodies should always be thankful and look them as their first teacher.

Dr. Nitin Deosthale, Vice Dean expressed that donors are useful, not only for 1st MBBS students but for conducting workshops for PG students & surgeons of all specialties. Body donation is the need of hour so more people should come forward for the noble cause.

Contd..2//

Relatives of body donors Mr. Hemant Tale, Mr. Jaywant Sayare, Mr. Kaliram Gaikwad, Mr. Shrikant Dhanpalwar, Miss. Meena Patil, Mr. Nagesh Patil, Mr. Prakash Shende, Mr. Prakash Taywade were felicitated.

All the relatives expressed their views & remembered the donors.

Mr. Suresh Uikey who handed over body donation forms of 24 people from society was also felicitated.

On this occasion smart donor cards were released at the hands of Dr. Nitin Deosthale. The cards are handy and can be kept in pockets with all detailed information of donor with phone numbers of doctors from Anatomy and Ophthalmology department of our institute on the card for contacting.

The students of 1st MBBS presented a skit on body donation awareness. It was very well appreciated by the audience. It was written & directed by Dr. Shital Maske, Asstt. Prof. Anatomy.

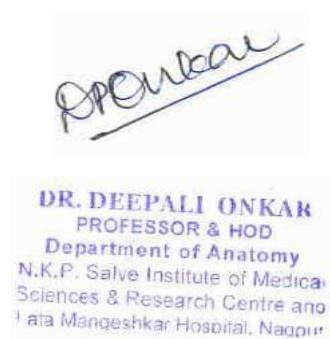

Dr. Shital Maske, welcomed the guests & conducted the initial proceedings of the program.

Dr. Manjusha Tabhane, Associate Professor introduced the guests of honor & conducted felicitation program.

Dr. Rajesh Dehankar, Professor got the smart donor cards prepared.

Dr. Sanjay Walulkar, Associate Professor proposed vote of thanks.

Dr. Anant Fulse, Dr. Mukund Huddar, Dr. Purvi Mishra, Dr. Saleem Basheer & all non teaching staff members worked hard for the success of the program.

NKPSIMS & RC and LMH/FM/104/2023

Date: 20th June 2023

BEST PRACTICES

Modern Mid-Level Service Provider / Community Health Officer Certificate Course affiliated to MUHS Nashik

Objectives of the Practice

To develop following skills of Modern Mid-Level Service Provider (MMLSP) for Ayurveda, Unani, Homeopathy and Nursing students:

- Public Health Skills
- General Skills of Bio Medical Waste management, medicine dispensation, medicine, refills and injections, suturing of superficial wounds
- Laboratory Skills.
- Skills for Management of common conditions e.g. fever, aches and pains.
- First aid stabilization care for common emergencies.
- Maternal Health Skills Reproductive and Adolescent Health Skills.
- Newborn and Child Health Skills.

The Context

To improve the health status of population without any financial hardship, government is committed to provide the universal health coverage (UHC) to all of its population. Community Health Officer is a very important post under the National Health Mission like Ayushman Bharat Scheme. This training program offered to Ayurveda, Unani, Homeopathy and Nursing students helps to create competent health care providers who can serve in the rural areas.

The Practice

The SC-HWCs (Sub-Centre - Health & Wellness Centre) are to be headed by a mid-level service provider (Community Health Officer, **CHO**) with a primary health care team including ANMs, ASHAs, MPW and AWW of the sub center area. The mid-level service providers are BAMS/BUMS doctors, B.Sc. nursing students. They are trained through a six-month's bridge course (Modern Mid-Level Service Provider Certificate Course). During this course candidates are paid stipend of Rs. 10,000/month. After successful completion of the course they are appointed as CHO (Community Health Officer) at sub- centers.

It is accredited by Maharashtra University of Health Sciences (MUHS) Nashik. This course equips them with clinical and public health competencies necessary to deliver revised & comprehensive primary health care services.

Evidence of success

MMLSP certificate course is MUHS affiliated course started in this institute from August 2019. In first batch 85 students were enrolled, out of which 83 appeared for the examination and successfully completed this certificate course. Second batch has been started

from February 2020 and 82 students had enrolled, out of which 79 appeared for the examination and successfully completed this certificate course. Third batch had started from March 2021 and 103 students had enrolled, out of which 102 appeared for the examination and 98 successfully completed this certificate course. Currently 86 CHO are enrolled & their lectures and clinics are being taken regularly.

Problem Encounter & Resources Required

This programme is going on smoothly with the help of teaching staff of the institute, and being supervised by Dr. H. T. Kanade (Nodal Officer) and Dr. Shailesh Wakde (Co-ordinator) under guidance of Dr. Kajal Mitra (Dean).

Dr. Shriram Gogulwar, Principal, Health & Family Welfare Training Centre Mata Kacheri Area, Nagpur is looking after MMLSP certificate course training centers in Nagpur division Nagpur on behalf of State Government.

Other Information

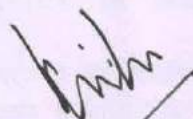

These courses typically focus on equipping students with the necessary skills and knowledge to work in the field of community health and provide essential services to underserved populations.

This certificate program aims to prepare students to work as community health officers in various settings such as Community health centers, non-profit organizations, and government agencies. The curriculum typically includes courses on community health assessment, health education and communication, primary health care management, and health promotion. Students also gain practical skills through field placements.

In the villages of India, there is a deficiency of doctors and health care workers. CHOs function as the front workers in the rural areas and help to fill this gap. They conduct the OPDs in the villages and also give advice to pregnant women. Thus, they play a very vital role in rural areas.
