Whereas the 1st Party IRCF being a division of Indian Society of Anaesthesiologists, which is registered as academic body, non-profit organization of Anaesthesiologists.

The 1st Party, Indian Resuscitation Council Federation, hereafter called IRCF has developed and Prepared the Indian Resuscitation Guidelines, which were peer reviewed and published in an indexed journal; Indian Journal of Anaesthesia. These resuscitation guidelines are suitable for a country like India, where the emergency medical system is not well developed. To give training to medics, paramedics, school children and laymen. The 1st party is suggesting to establish Comprehensive Resuscitation Training Centers (CRTC) through which they can impart training all over India.

The main objective of 1st Party IRCF is to make Every Citizen A Life Saver to decrease the number of preventable deaths due to sudden cardiac arrest.

Whereas the 2nd Party who is desirous to establish Comprehensive Resuscitation Training Centre hereafter called (CRTC) with an interest of training all the citizens and came into contact with the 1st Party, IRCF, following the IRCF guidelines and enter into MOU on the following terms and conditions:

1. The period of MOU shall be one year and can be renewed which will commence from the date of execution of this Memorandum of Understanding. The charges for granting the CRTC will be 3000/- at the time of registering CRTC and renewal charges will be 2000/- every two years. However, institutions like Medical and Nursing Colleges will be exempted from the initial registration fee but have to pay the renewal fee. If they conduct training to minimum 150 students of BCLS per year, the renewal charges will be waived off.
2. The 2nd Party, CRTC has agreed to abide to all the norms prescribed in the First party website www.cprindia.in to establish a CRT Centre with the permission of 1st Party IRCF with the required equipment and instructors. The second party shall strictly adhere to and respect all the terms and conditions of training.

REPORT OF COLS WORKSHOP

Report of BCLS, COLS Workshop for 1ST MBBS Batch 2023 on 29th September 2023.

As a part of orientation, Department of Anaesthesiology conducted BCLS workshop on 29th September 2023 in Lecture Hall F, NKPSIMS & RC and LMH, Nagpur for the recently joined 1st MBBS Batch who have chosen a path of remarkable science and humbling servitude. The workshop included Lectures on BCLS, COLS, AED and Choking along with demonstration. Total 167 students attended the workshop and could confidently say at the end. "Two hands can save a life".

The students gave an overwhelming response for overall conduct of the workshop. Dr. Anjali Bhure, Dr. Savita Chauhan, Dr. Madhushree Shah were the faculties for the workshop. The workshop was conducted smoothly under the able guidance of Dr. Anjali Bhure, Professor & Head, Department of Anaesthesiology.

CLINICAL SKILLS LAB REPORT

The MBBS Batch 2020 (BATCH D) {121 to 150 plus repeaters (20) }

were taught basic life support of infant and child CPR ,chocking, procedural skills of Intraosseous line insertion,Intravenous cannulation, Nasogastric tube insertions. Prior to the session's skills lab session standard operating procedures guidelines were shared. Audio visual aid was used for teaching followed by demonstration of procedures. Hence many times important points were repeated and taught by two way interactions. After this hands on training was given for CPR in infant and child mannequins, airway and breathing by bag and mask on those mannequins,

Hands on procedural skills of IV cannulation, intraosseous line insertion and Nasogastric tube insertion were also taught. Student's knowledge and skills were sharpened. Teachers for this session were Dr.Gouri Rajput, Dr.Snehal Korde, Dr.Shubham shende, Assistant professor of pediatric department.

This was conducted on 16/4/2024, and total of 43 students attended the session. They were very happy and confident after the session.
