DEPARTMENT OF RADIODIAGNOSIS

Title: Master Course in Fetal Radiology

Organized by: Department of Radio-diagnosis, NKPSIMS

Date: 6th April 2025

Time: 9:00 AM – 2:00 PM

Venue: Department of Radio-diagnosis, NKPSIMS

On 6th April 2025, the **Department of Radio-diagnosis, NKPSIMS** organized the **Master Course in Fetal Radiology** from 9:00 AM to 2:00 PM. This event aimed to enhance participants' understanding and diagnostic skills in fetal radiology, with a special focus on antenatal (ANC) cases.

Lead Faculty:

- Dr. Jyoti Chaubal
- Dr. Alpana Joshi
- Dr. Shilpa Sartarkar
- Dr. Sunil Kabra

These expert faculty members, known for their extensive experience in fetal medicine, conducted a series of in-depth and interactive lectures. The sessions focused on various **ANC cases**, enabling participants to understand critical aspects of prenatal imaging and diagnostic procedures in fetal medicine.

Supporting Faculty:

- Dr. Prashant Onkar
- Dr. Dipali Kadam

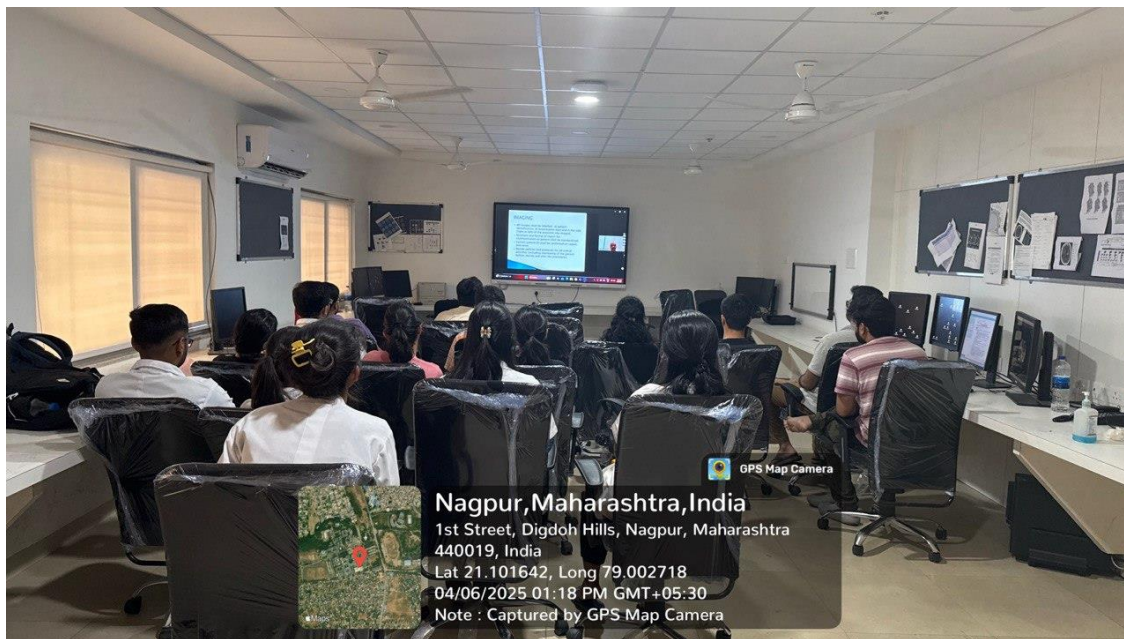

These esteemed faculty members provided valuable clinical insights, helping to facilitate discussions and case evaluations.

Course Coordinator:

Dr. Prashant Onkar

The session was well-received by postgraduate students, clinicians, and radiologists. Participants greatly appreciated the practical knowledge and case-based learning approach, which provided them with useful tools for real-world clinical practice.

This course was part of the department's ongoing effort to provide cutting-edge knowledge in the field of fetal radiology and prenatal diagnostics.

All the PG students of Dept of Radiology attended this lecture online
