## **DEPARTMENT OF RADIODIAGNOSIS**

**Title:** Master Course in Fetal Radiology

**Organized by:** Department of Radio-diagnosis, NKPSIMS

**Date:** 20th April 2025

**Time:** 9:00 AM – 2:00 PM

**Venue:** Department of Radio-diagnosis, NKPSIMS

The **Department of Radio-diagnosis**, NKPSIMS, successfully organized the **Master Course in Fetal Radiology** on 20th April 2025, from 9:00 AM to 2:00 PM. The course focused on enhancing the diagnostic skills of clinicians and radiologists in interpreting complex antenatal (ANC) cases, with an emphasis on fetal radiology.

### **Lead Faculty:**

- Dr. Jyoti Chaubal
- Dr. Alpana Joshi
- Dr. Shilpa Sartarkar
- Dr. Sunil Kabra

These renowned experts in **fetal medicine** delivered interactive and comprehensive lectures on a series of **special ANC cases**, offering valuable insights into prenatal imaging techniques and the interpretation of complex fetal anomalies. Their depth of knowledge and teaching methods made the sessions both engaging and highly informative.

### **Supporting Faculty:**

- Dr. Prashant Onkar
- Dr. Dipali Kadam
- Dr. Sandeep Dhote
- Dr. Jitendra Sahu

The supporting faculty contributed their expertise to the discussions, assisting in the case-based learning and providing clinical perspectives to the participants.

### Course Coordinator:

**Dr. Prashant Onkar**

The event was well-attended by postgraduate students, radiologists, and clinicians, who actively participated in discussions and case analyses. The feedback received was highly positive, with participants highlighting the educational value and clinical relevance of the sessions.

This course is part of the department's ongoing efforts to provide advanced training in fetal radiology and to promote high standards in prenatal diagnostics.

*All the PG students of Dept of Radiology attended this lecture online*
