DEPARTMENTS OF PATHOLOGY AND RADIODIAGNOSIS

Report on CME ON Radiological and Pathological Correlation of Breast lesions

The Departments of Pathology & Radiodiagnosis organised a combined CME on 12th November 2025 on the topic “Radiological and Pathological Correlation of Breast lesions.” The CME aimed to bridge the gap in understanding the radiological findings and Histopathological diagnosis in cases of Breast lesions. The CME was inaugurated by Dean Dr. Sajal Mitra. Dr. Ameya Kulkarni from Hamilton Health Sciences, who is also on Assistant Professor at McMaster University Canada, spoke about the role of various modalities of breast imaging in cancer screening. Dr. Prachi Sancheti, Consultant pathologist Nagpur, spoke on classification systems for breast lesions and the role of breast biopsy.

This was followed by a very interactive case- based discussion of Radiological & Pathological findings in various breast lesions, which was presented very well by Dr. Supriya Jagtap & Dr. Ketki Fuladi, both Residents from Pathology Department and Dr. Rohan Pardeshi, Resident from Radio diagnosis Department.

The Chairpersons for the various sessions included Dr. Kajal Mitra, Dr. Suresh Phatak, Dr. Sadhana Mahore, Dr. Sabiha Maimoon, Dr. R.Ravi, Dr. B. Gedam, Dr. Ashish Vaidya, Dr. Ameya Kulkarni & Dr. Prachi Sancheti.

Organizing Secretary Dr. Anne Wilkinson, Professor Pathology worked hard along with Teachers, Senior Residents & Residents of Pathology & Radio diagnosis Departments to Co-ordinate a very successful event which was very well received for its academic content and inter-disciplinary approach. 86 delegates participated in the CME. Maharashtra Medical Council observer for the CME was Dr. Ashish Bhawatkar. MMC granted one credit hour to the CME.
