Subject: Employer's Feedback Report.

Respected Sir,

IQAC has conducted a survey to obtain the Employers' Feedback. The responses on all the points ranged from fair to good. Few of the responses were as follows:

1. The curriculum used to train the individual is good to impart required knowledge about the subject to the health professional (98%).
2. The curriculum used to train the individual is good to impart required clinical skills about the subject to the health professional (61.2%).
3. Good communication skill is taught to employee. (93.8%).
4. Attitude and ethical practice used by the health practitioner reflects good AETCOM (attitude-ethics-communication) training (98%).

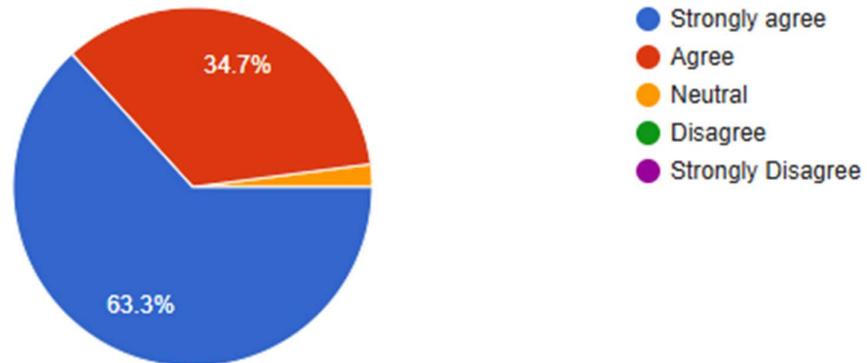

Yours sincerely,

Dr. Mohana Majumdar
Director, IQAC

1. kindly opine about curriculum used to train the Alumnus under following parameters.

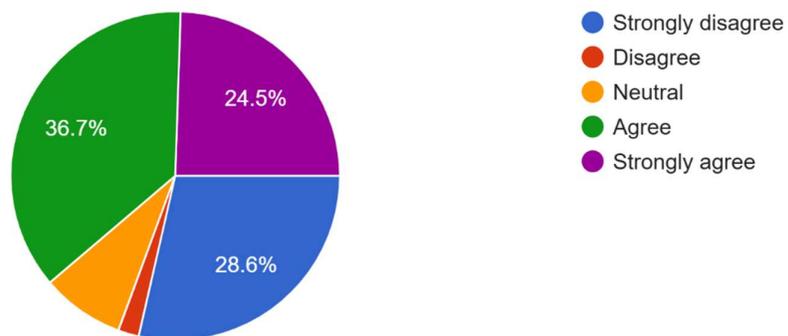

The curriculum used to train the individual is good to impart required knowledge about the subject to the health professional.

Good Presentation

One of the best Medicine department is NKP salve medical College, Nagpur

Thank you for the support even after post graduation for solving queries and patient related doubts by our teachers and guides

Everything good

No

Continue with the PG activity on regular basis

Tejas is a sincere doctor

None

Overall curriculum is good . which is helping us in our current practice 👍
