Report of Parent Teacher Meeting held on 03rd February 2026 for First MBBS students (2025 Batch)

Parent teacher meeting for First MBBS (2025 Batch) was conducted on 3rd February 2026 from 11.00 am -1.00 pm. Parents visited each First year department Anatomy, Physiology and Biochemistry with their wards to interact with teachers regarding First PCT result and attendance. Parents were informed about the marks obtained by the wards in the First Terminal Exam and were briefed about the Internal Assessment Pattern and measures to be taken by the students for improving the performance in the forthcoming examinations. Parents were informed about the attendance of the students in last 3 months. They were also briefed about the importance of attendance required for the eligibility of University Examination.

The Parent–Teacher Meeting is an important platform to discuss the academic progress, attendance, and overall adjustment of students to the medical curriculum. Parents' participation helps strengthen communication between the institution and parents, especially during the crucial first year of medical education.
