DEPARTMENT OF RADIODIAGNOSIS

Title: Neck USG Hands-on Workshop

Organized by: Department of Radio-diagnosis, NKPSIMS

Date: 28th March 2026

Time: 9:00 AM – 5:00 PM

Venue: Department of Radio-diagnosis, NKPSIMS

The **Department of Radio-diagnosis**, NKPSIMS, successfully organized the **Neck USG Hands-on Workshop** on 28th March 2026, from 9:00 AM to 5:00 PM. The course focused on enhancing the diagnostic skills of clinicians and radiologists in interpreting complex neck anatomy of thyroid, salivary glands, lymph node USG and carotid Doppler focusing on newer techniques like MVI and elastography.

Lead Faculty:

- Dr. Prashant Onkar
- Dr. Sandeep Dhote

These renowned experts in **Neck USG** delivered interactive and comprehensive lectures on a series of **special neck USG cases**, offering valuable insights into thyroid, salivary gland and lymph node imaging techniques and carotid doppler including newer techniques like MVI and elastography. Their depth of knowledge and teaching methods made the sessions both engaging and highly informative

Course Coordinator:

Dr. Prashant Onkar

The event was well-attended by postgraduate students, radiologists, and clinicians, who actively participated in discussions and case analyses. The feedback received was highly positive, with participants highlighting the educational value and clinical relevance of the sessions.

This course is part of the department's ongoing efforts to provide advanced training in neck imaging and to promote high standards in diagnostics.

All the PG students of Dept of Radiology attended this lecture.
