## **DEPARTMENT OF RADIODIAGNOSIS**

**Title:** Master Course in Liver Elastography & Fat Quantification Workshop

**Organized by:** Department of Radio-diagnosis, NKPSIMS

**Date:** 29<sup>th</sup> March 2026

**Time:** 9:00 AM – 5:00 PM

**Venue:** Department of Radio-diagnosis, NKPSIMS

The **Department of Radio-diagnosis, NKPSIMS**, successfully organized the **Master Course in Liver Elastography & Fat Quantification** on 29<sup>th</sup> March 2026, from 9:00 AM to 5:00 PM. The course focused on enhancing the diagnostic skills of clinicians and radiologists in interpreting complex liver cases, with an emphasis on liver elastography & fat quantification.

### **Lead Faculty:**

- Dr. Prashant Onkar
- Dr. Sandeep Dhote

These renowned experts in **Liver elastography** delivered interactive and comprehensive lectures on a series of **Liver cases**, offering valuable insights into liver imaging techniques and quantification of fat. Their depth of knowledge and teaching methods made the sessions both engaging and highly informative.

### **Course Coordinator:**

#### **Dr. Prashant Onkar**

The event was well-attended by postgraduate students, radiologists, and clinicians, who actively participated in discussions and case analyses. The feedback received was highly positive, with participants highlighting the educational value and clinical relevance of the sessions.

This course is part of the department's ongoing efforts to provide advanced training in liver radiology and to promote high standards in diagnostics.

*All the PG students of Dept of Radiology attended this lecture.*
