**DEPARTMENT OF GENERAL MEDICINE
World Kidney Day Celebration**

World kidney day was celebrated globally on 12th March 2026. On this occasion department of General Medicine had organized a Kidney Disease Awareness Program on 12th March in General Medicine OPD seminar Hall. It was conducted by Dr. Nilesh Raghurte, Nephrologist attached to Lata Mangeshkar Hospital. Objective was to raise awareness of the importance of our kidney to overall health. He discussed causes, clinical manifestations and management of Chronic Kidney disease. Dr. Tanuja Manohar, Prof. and HOD General Medicine stressed the importance of prevention and early recognition of CKD. Program was attended by a large number of class III & Class IV staff and patient. Skit to create awareness about kidney was demonstrated by Junior Residents of General Medicine. Program was compered by Dr. Rinkita Sahare & Dr. Shubham Choudhari, Assistant Professor, General Medicine.
